

## Mission Project

The themes of this year's VBS will be taught as our sled dog guide, Buck, tells us about how his famous friend, Balto, learned the lessons of trust, acceptance, friendship and

love as he led his team through the frozen tundra and helped to save an entire town. The kids will learn how much God loves them and how to share God's love with others.

Each year we learn about sharing God's love through a mission project. During VBS we will be filling book bags with school supplies for area kids who are in need. The kids will have lots of opportunity to participate in this mission throughout the week of VBS.

The kids can start to help already! Please encourage them to pray for area kids who are in need, and ask them over the summer about their thoughts on helping others. We will be sending more information in the month prior to VBS. Thanks!

## Ice Cream Social

Don't forget the Ice Cream Social on Friday evening, immediately following our Closing Ceremony! The festivities begin at 7 PM in the sanctuary. Invite all your family and friends!
